

Innovate and Create with Technology

Road to Grammar

Grammar games, lessons and quizzes. Some downloads for teachers and students.

Relaxing Nature

Load this website on your SMARTboard during quiet times

Says It

Lots of different image makers to jazz up lessons and displays. Includes a badge maker to make cool rewards for kids achievements.

Site is not really suitable for kids to use themselves.

Math Cats

A great award-winning maths site, well worth a look for all stages. Check out the date calculators and maths crafts sections.

Digital Dialects

Lessons and games to help children learn English. Designed for ESL but would suit IM, STL or ES1.

Song Repo

SongRepo is an online music search engine designed to be as simple as possible. It lets you search, play and manage songs and playlists with just a few mouse clicks.

Teach Meets

Teachmeets are for you if you are interested in:

- meeting other teachers
- finding out what's happening in other rooms, schools and regions
- connecting, collaborating, developing and reflecting

NSW Curriculum and Learning Innovation Centre

"Leading quality learning, curriculum delivery and educational innovation"

Ookaboo

"Free pictures of everything on earth"

Ookaboo contains thousands of royalty free images suitable for use by K-12 students.

Don't forget!

If you plan to use a site with your kids, run the address through the web filter first.

This will tell you whether the site is blocked or allowed.

You can find the filter in your portal essentials.

Discovery Box

"This site provides the tools for you to build up an argument or description of an event, person or historical period by placing items in a virtual box. What items, for example, would you put in a box to describe your life; the life of a Victorian Servant or Roman soldier..."
